with Cast Hangers

Battery and Electrical  
Compartment

Columbia Body Manufacturing Company has been fabricating and engineering commercial vehicles since 1903. We've grown with commerce and transportation and designed much of the equipment that makes it productive and efficient. Our durable, high quality products are the foundation upon which our reputation has been built. For fabrication, repair, renovation and engineering Columbia does it best.

## Transfer Capacity Charts

Std. Side Height **Elliptical Truck Body** ▲

Length	36"	+6"	+9"	+12"	+15"	+18"
15'	12.0	14.0	15.0	16.2	17.2	18.2
15' 6"	12.5	14.5	15.5	16.7	17.8	18.9
16'	12.7	15.0	16.0	17.3	18.4	19.5
16' 6"	13.2	15.5	16.7	17.8	19.0	20.0

Capacity in Cubic Yards

Std. Side Height **Elliptical Trailer Body** ▲

Length	42"	+6"	+9"	+12"	+15"	+18"
15'	12.8	14.7	15.7	16.7	17.7	18.5
15' 6"	13.2	15.2	16.2	17.2	18.2	19.2
16'	13.6	15.7	16.7	17.7	18.7	19.7
16' 6"	14.0	16.2	17.2	18.3	19.4	20.4

Capacity in Cubic Yards
